Dear Mr. Rose:

This is to advise you that the State Council on Athletic Trainers met on January 31, 2007 and reviewed your request for clarification of graduate assistants working as athletic trainers. Please be advised that it was the consensus of the Council to inform you that that a graduate assistant acting independently and/or unsupervised as an athletic trainer must hold an active Kentucky state certification.

I hope this information is helpful to you. Should you have any questions, please feel free to contact the Board at the number above.

Sincerely,

A handwritten signature in cursive script that reads "Jerry May".

Jerry May
Chairman, State Advisory Council on Athletic Trainers
